

Brisa Del Mar Community Pool Update

Our community pool has been receiving very heavy usage this summer, and we will be making some changes to the way the pool is being serviced to ensure that the water remains clean and healthy. Our pool service provider is installing an upgraded Rola-Chem chlorine feeder system, which will help the pool and spa remain chlorinated throughout the day and on the weekends. Additionally, our service provider will be cleaning the pool and spa 5 days a week, with a visit on Friday afternoons, which will help the pool stay clean throughout the weekend. Finally, the filter will be cleaned on a weekly basis, which will help keep the water clear and fresh. The board is aware that the pool plaster is rough in some areas, which is a result of improper pool-water chemistry. To fix this problem, the pool will need to be drained, sandblasted, and smoothed, requiring a pool closure of approximately 3 days. The plan is to complete this work after the busy summer season.

We can all work together as a community to ensure that our pool and spa remain safe and healthy for all to enjoy by implementing the following practices:

- Rinse off in the pool shower before entering the pool or spa (Especially if you have been to the beach or are wearing sunscreen!)
- No food in the pool or hot tub
- DO NOT TOUCH the emergency switch for the spa unless it is an emergency! Use your key to activate the bubbles in the spa
- Remind young children to use the restroom to relieve themselves
- Do not stand on or jump from pool railings
- Please do not play with the hose or pool skimmer
- If you see something, say something! We all need to work together to ensure a safe and enjoyable pool experience.

Also, a couple of reminders about pool usage:

- The pool area closes at 10:00 PM on a daily basis
- Children under the age of 14 must be accompanied by an adult
- Guests of the pool must be accompanied by a Brisa Del Mar community member. Please do not share your pool key with friends and family from outside the community

Let's all work together to keep our pool area a wonderful place to relax and enjoy!

Please reach out to a board member with any questions or concerns.
